

We are extremely pleased to inform you about the Hindustan Young Leaders Conference (HYLC), an international Model United Nations conference set in one of the leading technical institutions in Chennai, KCG College of Technology. Having held the inaugural Hindustan Young Leaders Conference in 2012, we wish to extend an invitation to your institution to participate in this exceptional intellectual exchange of ideas and opinions.

The Hindustan Young Leaders Conference (HYLC) aims to bring together outstanding young students from around the world to build critical leadership skills in a global context. HYLC will give college students a wonderful opportunity to discuss and debate real-time problems in an energy-charged environment. Based on the concept of a Model United Nations, HYLC is a dynamic, vibrant and inspiring platform for creative solutions to challenges that face today's world leaders. Besides developing participating students into great debaters, it will also enhance their knowledge, impel them to research and reflect on global issues, hone their use of diplomatic skills to negotiate and persuade and above all empower them to become effective leaders wherever they go.

We look forward to your institution's participation and contribution towards making this conference an invaluable experience for all participants. Do visit our website at [www.hylc.in](http://www.hylc.in) for further information or email us at [hylc2013@gmail.com](mailto:hylc2013@gmail.com) if you have questions regarding the conference. Registration for the conference is currently open. We hope that you will join us in making this conference a wonderful and engaging experience. Thank you.
